DETAILED ACTION

Response to Amendment

1. The declaration under 37 CFR 1.132 filed July 28, 2003, is sufficient to overcome the rejection of claims 1 and 3-9 based upon the 103 rejection in view of Kawaguchi et al. (US 5,478,639).

Reasons for Allowance

2. Claims 1 and 3-9 are allowed.
3. The following is an examiner's statement of reasons for allowance: all rejections have been overcome by the present response and Applicant's 1.132 declaration. Furthermore, while Kawaguchi et al. (US 5,478,639) is believed to be the closest prior art, it fails to disclose an adhesive mesh tape wherein the hot melt resin and pressure sensitive adhesive do not continuously cover the entire surface of the tape and have openings above or below the open spaces of the fabric wherein the total volume of the hot melt resin and pressure sensitive adhesive is less than the volume of the open space of the fabric.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
